

SANDQVIST

The Swedish bag brand Sandqvist was founded in 2004 by Anton Sandqvist, and soon his brother Daniel and their friend Sebastian also joined the company. An early devotion to outdoor life and a childhood spent in rural Sweden has had a deep impact on the Sandqvist designs through the years. The Nordic landscapes with its vast unpopulated areas, soaring mountains and remote cabins as well as an urban city lifestyle have always been the main inspirations of the brand. Accordingly, Sandqvist's bags are uncomplicated and beautiful, with a clear Swedish heritage.
